Issues to discuss (latest closing date for sale of the site is now 3/31/11):

Site's continued status as an alternative site vs. NPL listing

If Site is sold, what are the possible alternatives that will cause, prevent, the new owner(s) to be considered a PRP?

Status of lien notice letter for the Site's real property.

Status of letters to draw funds from NORCO's two Irrevocable Standby Letters of Credit being held by Citibank N.A. Should EPA draw 100 % or only a partial draw from available LOCs funds (\$500,000 each LOC).
